RESPONSE TO NOTICE REGARDING POWER OF ATTORNEY

This is in response to the Notice Regarding Power of Attorney dated September 16, 2004. The Notice states that the Revocation and Appointment of Attorney by Assignee filed August 24, 2004 is not accepted because of three primary reasons, each of which is addressed below.

The first reason is that the person signing for the assignee has omitted their empowerment to sign on behalf of assignee. The assignee is Durakon Industries, Inc. (see discussion below). The signor of the Revocation is James Smith who is the Vice-President and Chief Financial Officer of Durakon Industries, Inc., empowered to sign as an officer of the company. His title information appears on page 2 of the Revocation.

The second reason given is that the person appointed in the Power of Attorney is not registered to practice before the PTO. The appointed attorneys are those attached to Customer Number 000570 within the law firm of Akin Gump Strauss Hauer & Feld, LLP, the address and identification of which are in the Revocation. Further, the undersigned (also part of Customer Number 000570) was listed in the Revocation as a contact for all communications and telephone calls with the pertinent information provided. The undersigned is registered to practice before the PTO under Registration Number 35,837.

Finally, the Notice states that the Revocation is not signed by the applicant, the assignee of the entire interest or one particular principal attorney having the authority to practice. The assignee of the entire interest is Durakon Industries, Inc. (see below).

When the undersigned received the Notice, the reasons given appeared inconsistent with the information in the undersigned's file. As a result, the undersigned contacted Mr. Eric

Dantzler, indicated on the Notice. During that telephone call, Mr. Dantzler informed the undersigned that the reason he did not accept the Revocation and Appointment of Attorney by Assignee is that he could not identify Durakon Industries, Inc. as the assignee based on the PTO file. The reason for this is apparently an error which occurred in processing the Assignment document with the Assignment Branch of the PTO.

When former counsel submitted the Assignment back in January of 2004, they inadvertently left off the application number from the Assignment cover sheet. The Assignment Branch would not record the submission and allowed the applicants a brief period of time in which to re-submit the Assignment for recordation with the cover page corrected in order to obtain the original recordation date. The undersigned assisted the applicants and filed the Revocation and Appointment of Attorney by Assignee with the PTO and timely and simultaneously responded to the Assignment Branch request such that Durakon Industries, Inc.'s Assignment would retain its original date of recordation of January 16, 2004. The undersigned has enclosed a copy of the Revocation as originally filed with the PTO, and the copy of the response to the Assignment Branch request, which includes a copy of the Assignment document as re-submitted for recordation and which demonstrates that Durakon Industries, Inc. is the owner of the entire interest in the application. In view of the attached, the undersigned respectfully requests that the PTO reconsider and accept of the Revocation and Assignment of Attorney by Assignee.

Respectfully submitted,

DURAKON INDUSTRIES, INC.
